

DAVE CAMP

U.S. CONGRESSMAN

4TH DISTRICT OF MICHIGAN

Empower Small Business Owners

Small business owners are being bogged down by burdensome regulations from Washington that prevent job creation and hinder economic growth. We must remove onerous regulations that are redundant, harm small businesses, and impede private sector investment and job creation.

The Reducing Regulatory Burdens Act

H.R. 872 - Senate has taken no action to date

The Energy Tax Prevention Act

H.R. 910 - Senate has taken no action to date

Consumer Financial Protection & Soundness Improvement Act

H.R. 1315 - Senate has taken no action to date

Fix The Tax Code To Help Job Creators

America's tax code has grown too complicated and cumbersome. We need a tax code that is flatter, fairer, and simpler to ensure that everyone pays their fair share, lessen the burden on families, generate economic expansion, and create jobs by making America more competitive.

The Small Business Paperwork Mandate Elimination Act (Authored by Congressman Camp)

H.R. 4 - Signed into law by the President on April 14, 2011

Increase Competitiveness for U.S. Manufacturers

The more that American businesses export, the more they produce. The more businesses produce, the more workers they need. This means job creation. Expanding market access for U.S. made products will be a shot in the arm for businesses small and large and will create jobs.

U.S.-Colombia Trade Promotion Agreement Implementation Act

H.R. 3078 - Signed by the President on October 21, 2011

U.S.-Panama Trade Promotion Agreement Implementation Act

H.R. 3079 - Signed by the President on October 21, 2011

U.S.-Korea Free Trade Agreement Implementation Act

H.R. 3080 - Signed by the President on October 21, 2011

Encourage Entrepreneurship and Growth

America has historically been on the cutting edge of innovation and technological development, but we are increasingly falling behind our global competitors. We must make it easier for existing businesses to grow and allow more start-up companies to flourish.

The America Invents Act

H.R. 1249 - Signed into law by the President on September 16, 2011

Maximize Domestic Energy Production

The energy sector is crucial to our economic growth, and high energy costs have a major impact on job creation. We need policies that allow us to harness our abundant supply of natural resources in America, develop new sources of energy, and create jobs here at home.

Restarting American Offshore Leasing Now Act

H.R. 1230 - Senate has taken no action to date

Putting the Gulf of Mexico Back to Work Act

H.R. 1229 - Senate has taken no action to date

Reversing President Obama's Offshore Moratorium Act

H.R. 1231 - Senate has taken no action to date

The Jobs and Energy Permitting Act of 2011

H.R. 2021 - Senate has taken no action to date

North American-Made Energy Security Act

H.R. 1938 - Senate has taken no action to date

Pay Down America's Unsustainable Debt Burden

The federal government is spending and borrowing so much that the United States will soon go broke. Washington's spending binge has put our nation in debt, eroded economic confidence, and caused massive uncertainty for private sector job creators. It's time to live within our means.

Budget for Fiscal Year 2012

H.Con.Res. 34 - Senate has not yet considered a budget of its own
